Dear Members

**RE: CPC HEALTH INITIATIVES TO APPRECIATE HEALTH WORKERS AT NCID IN FIGHTING COVID-19**

- Initiative 1: Offer Free Cup of Drink
- Initiative 2: Offer packets of Salonpas and Lozenges

As a Church we would like to show appreciation to all Frontline & Support Staff at NCID (National Centre of Infectious Disease) who worked tirelessly to care for all the patients of COVID-19 in NCID. The target is to raise **\$5,000** to provide 500 cups at \$5 per cup and 30 packets of Salonpas and Lozenges from end Feb to early March 2020.

For Initiative 1: We have chosen a partner *ForeWord Coffee* at NIC (National Innovation Centre) next to NCID to provide the drinks to these staff. Our Church will prepare coupons with the message to thank all the staff of NCID, sponsored by CPC. The text message is in the process of preparation by the Church.

For Initiative 2: As requested by NCID, we will purchase 30 packets of Salonpas and 30 packets of Lozenges and prepare a 'thank you' card or poster from Covenantors.

We appeal to all members and related family of CPC to give generously to these initiatives by donating using a QR Code (CPC UEN) and add remark "**CPC-HWI**" which is Covenant Presbyterian Church-Health Worker Initiative. See instructions below:
